Motorcraft® Extend

Oil Filters

Quality parts for miles. And miles.

Motorcraft continues to deliver trusted, quality parts for Ford, Lincoln, and Mercury vehicles across their lifecycle. Motorcraft Extend expands that offering with value-driven solutions designed specifically for late lifecycle vehicle lines, helping keep vehicles on the road longer with confidence and at a price that fits their stage of life.

The Motorcraft Extend Advantage

- Designed with high-precision components and priced to compete, our oil filters ensure consistent performance and long-lasting reliability
- Excellent performance under most operating conditions
- Oil filter coverage for 93% of the vehicles on the road in the United States (including Motorcraft and Motorcraft Pro offerings)
- Approved and backed by Ford Motor Company

Motorcraft Extend Oil Filter Features

- Cellulose media provides high filtering capacity and strength, and screens out abrasives to help prevent engine wear
- 98% efficiency at 25 microns or 95% efficiency at 30 microns
- Nitrile rubber anti-drainback valves resist high heat and keep oil in the filter to help prevent dry starts*
- Protective pressure-relief valves help to maintain oil supply to the engine under extreme operating conditions*
- Bonded end-plates help keep consistent pleat spacing to enable efficient oil flow*
- Perforated steel center tube provides internal support needed under pressure*
- Steel cases are “ironed” for a precise fit and fluted for easy removal*
